### Time to allocate funds for AIDS orphans

It has been more than a decade that FXB India Suraksha (FXBIS) with FXB International is advocating for the basic rights of children fighting with AIDS by calling for a ten percent of all HIV and AIDS funding be urgently directed to support AIDS orphans and vulnerable children. This seems to be a far reality as yet. If appropriate action is not taken on time to focus on providing the much needed support to them, it will not be very far when an entire generation will be lost.
