

TENDER NOTICE

Tender No.: Aug'26 - P02.151

Date: 27.08.2026

INVITATION FOR QUOTATION / TENDER

Quotations are invited from reputed and eligible manufacturers, authorized dealers, suppliers, and firms for the supply and delivery of agricultural machinery, farm equipment, and irrigation-related materials as per the specifications given below.

The equipment supplied should be new, unused, of standard quality, and suitable for agricultural use. The bidder shall provide the manufacturer's warranty/guarantee and relevant technical literature wherever applicable.

Schedule of Items and Technical Specifications

Sl. No.	Item	Minimum / Required Specification
1	Spray Machine – Manual	Manual/hand-operated agricultural sprayer; suitable for spraying pesticides, insecticides, fungicides and liquid fertilizers; heavy-duty tank; corrosion-resistant construction; adjustable spray nozzle; suitable for field and vegetable crops; complete with pump, lance, hose and accessories.
2	Thresher Machine – Big, Tractor Operated (7 Fan)	Heavy-duty agricultural thresher; tractor PTO operated; suitable for threshing major cereal crops; approximately 7-fan/blower configuration; suitable for operation with tractor; robust steel frame; high-capacity feeding and threshing system; safety guards provided; complete with PTO shaft and necessary accessories.
3	Service Pipe for Irrigation Pump – Covering 10 Bigha	Flexible/rigid irrigation delivery pipe suitable for use with agricultural water pump; sufficient length and diameter to cover approximately 10 bigha of agricultural land; durable, UV/weather-resistant and suitable for continuous water flow; complete with required couplings, clamps, connectors and fittings.
4	Power Tiller – KAMCO/VST SHAKTI	Heavy-duty agricultural power tiller; reputed make KAMCO or equivalent; diesel engine; suitable for ploughing, puddling, weeding and other agricultural operations; suitable for attachment of agricultural

		implements; suitable transmission system; pneumatic agricultural tyres; complete with standard accessories and operator's manual.
5	Weeder – Manual	Manual agricultural weeder suitable for inter-cultivation and removal of weeds; durable metal construction; adjustable/comfortable handle; suitable for vegetable and field crops; complete with weeding blade and necessary accessories.
6	Mini Power Weeder – Steel	Mini power weeder with heavy-duty steel construction; petrol/diesel engine as applicable; suitable for inter-cultivation and weed removal; rotary blades/tines; adjustable working depth; suitable for small farms and vegetable cultivation; complete with standard accessories and safety guards.
7	Diesel Water Pump – Honda 4 HP (Indian)	Honda 4 HP or equivalent Indian make diesel water pump ; approximately 4 HP engine; suitable for agricultural irrigation; self-priming centrifugal pump; heavy-duty construction; suitable suction and delivery connections; fuel-efficient engine; complete with suction pipe, delivery connection, strainer and standard accessories.
8	Grass Cutter	Heavy-duty agricultural grass/brush cutter; petrol engine; suitable for cutting grass, weeds and light vegetation; ergonomic handle; shoulder harness; suitable cutting blade and nylon cutting head; safety guard; complete with standard accessories and tool kit.
9	Rotavator – Sonalika	Sonalika Rotavator Model SLPMSK-5 / 36 Blade or equivalent ; approximately 36 blades; suitable for tractor operation; heavy-duty gearbox and frame; suitable for soil preparation, pulverization and field leveling; adjustable working depth; suitable PTO connection; complete with safety guards and standard accessories.

General Terms and Conditions

1. **Eligibility:** The bidder should be a manufacturer, authorized dealer, distributor, or reputed supplier capable of supplying the specified equipment.
2. **Quality:** All machinery and equipment must be **brand new, unused, and free from manufacturing defects.**
3. **Make/Model:** Where a specific make/model is mentioned, the bidder shall quote for the specified make/model. Equivalent products may be considered only with prior approval of the purchaser.
4. **Quotation:** The quotation should clearly mention:
 - o Item description
 - o Make and model
 - o Technical specifications
 - o Unit price
 - o Quantity
 - o GST
 - o Transportation/delivery charges
 - o Installation/demonstration charges, if applicable
 - o Total quoted price
5. **GST:** GST should be quoted separately and clearly indicated in the financial quotation.
6. **Transportation:** The quoted price should clearly state whether transportation, loading, unloading and delivery to the designated location are included.
7. **Warranty:** The bidder shall clearly specify the warranty period for each machine/equipment. Preference may be given to equipment having a comprehensive manufacturer's warranty.
8. **After-Sales Service:** The supplier should provide adequate after-sales service, repair support, and availability of spare parts.
9. **Demonstration:** The supplier shall provide installation, commissioning, and operational demonstration wherever required.
10. **Delivery:** The successful bidder shall deliver the equipment within the period specified in the Purchase Order.
11. **Payment:** Payment shall be made as per the terms and conditions specified in the Purchase Order/Work Order, subject to satisfactory delivery and verification of the equipment and submission of proper invoice and supporting documents.
12. **Inspection:** The purchaser reserves the right to inspect and verify the equipment before acceptance. Any equipment not conforming to the approved specifications may be rejected.
13. **Documents:** The supplier shall submit applicable documents such as GST registration, PAN, quotation, authorization/dealership certificate, product catalogue/technical datasheet, warranty documents, and other relevant documents.
14. **Right to Accept/Reject:** The purchaser reserves the right to accept or reject any or all quotations, wholly or partly, without assigning any reason.
15. **Tender Validity:** The quotation shall remain valid for a minimum period of 30 days from the last date of submission unless otherwise specified.

Mode of Submission:

The quotation should be clearly marked:

“QUOTATION FOR SUPPLY OF AGRICULTURAL MACHINERY AND IRRIGATION EQUIPMENT”

All bids must be clearly marked with the respective **Project Code P02.151** on the quotation and should be submitted through registered mail id.

The deadline for submission of the bids is till 01st of September, 2026 till 5.30 PM and all bids must be send through below mentioned E-mail ID –
